

## *Idle Thoughts*

### *National Dress*

IT isn't hard to understand  
Why the National's not so Grand,  
Now we've seen the Misses Scouse  
Showing lots, but not much *nous* –  
Buffoon platoons of would-be divas  
Busting out of gay deceivers.

Though we may be quite impressed,  
When we see them line abreast,  
They give the world a nasty jar,  
Taking things a bra too far.

(Aintree's sort of special, which is why it always takes  
A kind of classy filly to infuse the fashion stakes).
