

## *Motion*

### *Steam Sidings*

*SNORT and chunter, snort and chunter, snort and chunter!* Steam and smoke.  
Little loco's getting started. Cloudy rowdy! Shovel! Stoke!

In the sidings, work's commencing. *Hiss and snuffle, clank and shriek!*  
In the cab, a furnace roaring. Monday morning, start the week.

*Snort and chunter*, pushy shunter, shove and whistle, no self-doubt.  
Strident, bossy, self-important. Hissy, fussy, sort 'em out!

Wheels a-stutter, such commotion! Steamy gleamy! Joy to see!  
What a lot of locomotion, moving trucks from A to B!
