

A Word

Drop Dead

*Let old folks in a care home die.**

Who said that? I wonder why.

Your doctor did, I'm sad to say:

Find it in the *BMJ*.

No waiting at death's door for you:

Let your doctor pull you through.

Hippocratic/hypocritic oath?

You're unlucky: he took both.

* *Newspaper report, February 24, 2006.*
